

Multi Course - All Rubber Park Warrior

A brand new category straddling exercise and play, the 'Park Warrior' range has been developed to encourage people aged 12 and up to get active and healthy in open space, while having fun. This is achieved by delivering a range of innovative and challenging obstacles configured in a well considered sequence with a clear beginning and end. The challenge for some will be simply to get through the course. For others it may be to beat the 'clock' and achieve a PB (personal best), or to race others for the best time.

Product Code: DFW-3001M

Required Space
14.6m x 20.8m

Area
295.3m²

Age Group
12+

Max FHoF
2920mm

Equipment Height
3300mm
